Massage & Bodywork Client Agreement

I, _____, understand that the massage/bodywork therapies are intended to enhance relaxation, reduce pain caused by muscle tension, increase range of motion, improve circulation and offer a positive experience of touch. Any other intended purposes of massage/bodywork are specified below: The general benefits of massage and bodywork, possible contraindications of massage and bodywork, and the treatment procedure have been explained to me. I understand that massage and bodywork therapies are not a substitute for medical treatment or medications, and that it is recommended that I concurrently work with my Primary Caregiver for any condition I may have.

I am aware that the massage/bodywork therapist does not diagnose illness or disease, does not prescribe medications, and that spinal manipulations are not part of massage therapy. I have informed the massage/bodywork therapist of all my known physical conditions, medical conditions and medications, and I will keep the massage/bodywork therapist updated on any changes.

I understand that there shall be no liability on the practitioner's part due to my forgetting to relay any pertinent information. If I experience any pain or discomfort during the session, I will immediately communicate that to the therapist so the treatment can be adjusted.

I understand and agree to abide by the therapist's policies and will not hold Chokkan Shiatsu & Wellness Services or the therapist responsible for any personal injury or loss of property.
